Skills

Technical Languages

HTML5, CSS3, Javascript, JSON, JQuery, MySQL, MongoDB, Express, React, Node.JS

Applications

Visual Studio Code, DBeaver, Insomnia, MongoDB Compass

Full Stack Web Developer with a background in Film & TV production and life-long passion for creativity and commitment to excellence. Effective at combining creativity and problem solving to develop elegant, user-friendly applications. Known among staff for positive attitude, sense of humor, and dedication no matter the intensity of the project.

Projects

Chronos | MERN Stack

A calendar app designed for creating, planning, and tracking events.

GitHub: <https://github.com/m-beke/chronos>

Project: <https://chronos-b9mn.onrender.com>

Flavor Trail | HTML5, CSS3, Javascript, JSON, JQuery, Materialize, Google Places API, Yelp API

A search tool for finding the best rated restaurants in your area.

GitHub: <https://github.com/Shawki45/Flavor-Trail>

Project: <https://shawki45.github.io/Flavor-Trail>

Weather Dashboard | HTML5, CSS3, Javascript, JQuery, Bootstrap, OpenWeather API

A weather app that displays the current and weekly forecast of the city you search for.

GitHub: <https://github.com/m-beke/weather-dashboard>

Project: <https://m-beke.github.io/weather-dashboard>

Experience

Film and TV Industry | August 2018 - Present

Freelance Production Coordinator

Worked on numerous Film, TV, and Commercial sets, including *The Tonight Show with Jimmy Fallon*, *American Idol*, *David Makes Man*, and more. I was often required to troubleshoot unexpected issues, whether it was a camera malfunction or a change in the shooting schedule. This experience has honed my ability to think quickly and find solutions under pressure—skills that will help me tackle unexpected challenges in software development.

Experience (cont.)

Williams-Sonoma | September 2024 – Present

Customer Support Representative

Dealing with a wide range of customer issues helped me hone my patience and empathy—skills that are valuable in coding, especially when working through challenging problems or learning new technologies

HSN | July 2023 – August 2024

Customer Support Specialist

I consistently paid attention to every detail to ensure I addressed all aspects of a customer's concern. This has helped me develop a meticulous eye for detail, which is directly applicable when writing clean, error-free code.

Paychex | October 2021 – June 2023

Dedicated Service Center Representative

I regularly communicated with clients, explained complex concepts in an understandable way, and kept them informed throughout the process.

Walt Disney World | October 2015 – July 2018

Food & Beverage Hostess

I developed strong problem-solving skills by identifying customer issues, investigating root causes, and delivering practical solutions.

Education

University of Central Florida, Orlando, FL | 2023 – 2024

Full Stack Web Development Boot Camp Certificate

An intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Valencia College, Orlando, FL | 2015 – 2018

A.S. in Film Production Technology

Received practical, hands-on experience with all filmmaking tools and techniques, as well as film history & theory.

Tarpon Springs High School, Tarpon Springs, FL | 2011 – 2015

GED, Leadership Conservatory for the Arts Graduate

2014 Bands of America Grand Nationals Champion. Also performed in the 2013 Macy's Thanksgiving Day Parade, and with famous contemporary jazz musicians Wycliffe Gordon and Scotty Barnhart.
